HANDLING OF THE COURSE

Mastery of auditing theory and practice will require considerable time reading the textbook and other resources and attempting assigned homework problems/exercises. Homework problems and exercises may be taken from the text, other course resources, or from handouts posted on the course web site or distributed in class. You must review and attempt each homework assignment prior to the class during which it will be discussed.

Reading and assignments are integral components of the course and are crucial to the attainment of course learning objectives. Many, but not all, homework problems and exercises will be reviewed in class. For those problems and exercises not reviewed in class, solutions will be posted on Web CT. You must strive to stay current with reading and assignments.

ASSIGNMENT

An audit planning assignment will be assigned later in the term. This assignment will involve the preparation of components of an audit planning memorandum for a listed company. The planning memo should be approximately 6 pages in length, excluding exhibits and appendices. This assignment will draw on your critical thinking, analytical and writing skills. The specific requirements of the audit planning assignment will be posted to Web CT later in the term.

The assignment is due on **Thursday, April 8, 2010 at 4PM**. The assignment must be handed in on time. It can be either given to the instructor during class time or delivered to her office. **An assignment submitted late will result in a mark of 0.**

MID-TERM AND ASSIGNMENT

Only on the documented basis of illness or other extreme circumstances will students be permitted to write a make-up mid-term or assignment. In case of illness, a student must contact the instructor via telephone or e-mail (the date and time is recorded on both). The student must provide supporting documentation (Student Medical Certificate (SMC) available at <https://studentservices.uwo.ca/secure/index.cfm>) and submit the documentation to the Social Science Academic Counseling Office (SSC room 2105).

The student must arrange to write a make-up mid-term or assignment on a timely basis. The make-up may differ in format from the original mid-term or assignment.

Examinations

“Students who fail to appear for an examination at the time set in the timetable will not be allowed to write the examination paper thus missed. Students should report this irregularity immediately to the office of their dean or, in cases of evening or Saturday examinations, to the Office of the Registrar. They may, with the approval of the chair of the department concerned, petition their dean for permission to write a Special Examination.” See the current *Western Academic Calendar*.

Policy on Special Examinations

1. Students with conflicts or students unable to write based on compassionate or medical grounds (supported by appropriate documents), may apply in writing prior to the exam to the course coordinator to be excused.
2. Students involved with approved out-of-town university activities during the scheduled mid-term exam may apply the course coordinator for special proctoring privileges to write the mid-term exam.
3. Students who are excused from the writing of the mid-term exam will have the appropriate percentage of marks transferred to the weighting of the marks for the final exam.
