The Dan Program has a grade policy which states that for courses in the 4000 range, the class average must fall between 70% and 75% for all sections of a course taught by the same instructor. In very exceptional circumstances only, class averages outside this range may be approved by the Assistant Director or the Chairman. Class averages are not grounds for appeals.

EXAMINATIONS

"Students who fail to appear for an examination at the time set in the timetable will not be allowed to write the examination thus missed. Students should report this irregularity immediately to the office of their Dean. They may, with the approval of the chairman of the department concerned, petition the dean for standing or permission to write a special examination. Petitions will be entertained only when they are submitted on compassionate grounds with supporting documents." See the current Western Calendar.

POLICY ON SPECIAL EXAMINATIONS

- (1) Students with conflicts or students who are unable to write based on compassionate grounds (supported by appropriate documents), may apply in writing prior to the exam to the course coordinator to for special proctoring privileges to write examinations at another time.
- (2) Students involved with approved out-of-town university activities during the scheduled mid-term exam may apply to the course coordinator for special proctoring privileges to write the mid-term exam.
- (3) Students will not be excused from the writing of the mid-term exam under any circumstances.

MEDICAL NOTES

"Students who are unable to meet a course requirement through any form of illness (whether temporary, serious, or long-term) should advise their instructors of such an absence at the earliest possible opportunity (preferably in advance of the course requirement).

Medical excuse slips normally are not required. Instructors may, at their discretion, require medical certificates for verification of absence for reasons of illness, especially in the event that such absence includes a significant assessment period or evaluation. (Instructors are asked to use good judgement in requesting the use of UWO Student Health Services to verify absence for reasons of minor illness or in instances where a student had not consulted a physician at the time of illness.) Such verification shall be submitted by the student to the office of the appropriate Dean. The Dean's Office will evaluate the original certificate and will retain it according to the University's records retention guidelines. The Dean's Office will then make arrangements with the appropriate instructor and Department Chair regarding accommodations to be made.

In the case of absence from final examinations, such verification is mandatory and normally is contingent upon the student being assessed medically before the final examination.

UWO Student Health Services normally will issue verification of illness only in the case of serious or long-term illness or in cases involving absence from final examinations or other significant periods.

Student absences for reasons other than illness shall continue to be verified according to current practices."

GENERAL NOTES

- (1) Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence at the following web site: <http://www.uwo.ca/univsec/handbook/appeals/scholoff.pdf>.
- (2) Plagiarism: Students must write their essays and assignments in their own words. Whenever students take an idea, or a passage, from another author, they must acknowledge their debt

both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence. See Note 1 for further information.

- (3) Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating
- (4) For a description of the process to be followed for mark/grade appeals, see your professor.
- (5) The use of personal computers during examinations will not be permitted.

HOW TO DO WELL IN THIS COURSE:

- 1) Come to class every class, no exceptions.
- 2) Prepare all the practice problems before the class in which they will be taken up
- 3) When preparing the practice cases, do not look at the suggested solutions first. Learning involves making mistakes and then correcting them. Please allow yourself to benefit from the process of making mistakes.
- 4) Read the Powerpoint slides before each lecture. Use the textbook when you need more detail than the Powerpoint slides contain.
- 5) Do the practice Exercises in the text book.
- 6) Stay up to date with the material, *you can't afford to fall behind.*
- 7) Do as many extra problems as you possibly can find time for.

Important: This is not a course to take for easy credit. It is extremely challenging, and there is an incredible amount of information for you to learn and remember. My number one hint is: Practice. That is also my number two and three hint.

PRACTICE PRACTICE PRACTICE

ASSIGNMENTS

There will be one hand in assignment required for this course. ***You must complete the assignment and ALL tests/exams to pass the course.*** The distribution and due date will be provided later.

Plagiarism is a serious academic offence that can result in a penalty as severe as expulsion from the University. Whenever you take an idea or a passage from another author, you must acknowledge your debt by using quotation marks where appropriate, and by proper referencing such as footnotes and citations. Western has software available to check for plagiarism, and you may be required to submit your work in electronic form so that it can be checked by this software.

PARTICIPATION

- (4) Quality is more important than quantity.
- (5) It is not anticipated that we will encounter any problems with poor preparation for class, disruptive behaviour, or frequent lateness or absences, however, should you choose to behave in any of these ways, you will experience a negative impact on your participation mark. I appreciate it very much when students advise me that they will be late, have to leave early, or will be absent from class.
- (6) The main objective of contributing to class discussion is not to be evaluated, but rather to learn, and to assist other members of the class (including the instructor) to learn.

You are expected to seek feedback on how you are doing at least once during the term. If you wish to have more frequent feedback, please let me know.

This form must be signed by the student, the instructor, the Department Chair, and the Dean's representative in the Academic Counselling Office.

SHORT ABSENCES

If you miss a class due to a minor illness or other problems, check your course outlines for information regarding attendance requirements and make sure you are not missing a test or assignment. Cover any readings and arrange to borrow notes from a classmate.

EXTENDED ABSENCES

If you are absent more than approximately two weeks or if you get too far behind to catch up, you should consider reducing your workload by dropping one or more courses. This must be done by the appropriate deadlines. (Refer to the Registrar's website for official dates.) The Academic Counsellors can help you to consider the alternatives. At your request, they can also keep your instructors informed of your difficulties.

DOCUMENTATION

- **Personal Illness:** If you consult Student Health Services regarding your illness or personal problem, you should request a Student Medical Certificate from the physician. Once your documentation has been assessed, the academic counsellor will inform your instructor that academic accommodation is warranted.
- If you were seen by an off-campus doctor, obtain a certificate from his/her office at the time of your visit. The off-campus medical certificate form must be used. <http://www.uwo.ca/univsec/handbook/appeals/medicalform.pdf>. The doctor must provide verification of the severity of the illness for the period in question. Notes stating "For Medical Reasons" are not considered sufficient.

- **In Case of a Death:** Obtain a copy of the newspaper notice, death certificate or documentation provided by the funeral director.
- **For Other Extenuating Circumstances:** If you are not sure what documentation to provide, ask an Academic Counsellor.

Note: Forged notes and certificates will be dealt with severely. To submit a forged document is a scholastic offense (see below) and you will be subject to academic sanctions.

ACADEMIC CONCERNS

- You need to know if your instructor has a policy on late penalties, missed tests, etc. This information may be included on the course outline. If not, ask your instructor.
- You should also be aware of attendance requirements in courses such as Business and English. You can be debarred from writing the final examination if your attendance is not satisfactory.
- If you are in academic difficulty, check the minimum requirements for progression in your program. If in doubt, see your Academic Counsellor.
- If you are registered in Social Science courses but registered in another faculty (e.g., Arts or Science), you should immediately consult the Academic Counselling Office in your home faculty for instructions.
